

**Tom Stanuikynas, PP/AICP**

Tom Stanuikynas has been with the Department of Community Affairs for ten years as both a Planner and GIS Specialist. He currently works with a team of planners that provide technical assistance to municipalities. Tom has led teams that have prepared a recreation plan for Perth Amboy City, a land use plan for Millville City, a redevelopment plan for Pemberton Township, and a Reexamination Report for Folsom Borough. Additionally, he manages DCA's geographic files, performs spatial analyses and coordinates GIS functions for the Superstorm Sandy Disaster Recovery Program, Main Street Program, Urban Enterprise Zone Program, and the Atlantic City Transition Team. Tom is responsible for reviewing areas in need of redevelopment designations for the DCA Commissioner as well as maintaining a Statewide Area in Need of Redevelopment database and GIS layer. Prior to joining the DCA, Tom worked as a Resource Planner for the New Jersey Pinelands Commission and a GIS Specialist for the New Jersey Water Supply Authority. He graduated from Indiana University of Pennsylvania with a Bachelor of Arts in Geography and Regional Planning.
